RCR Package Deals for Eastern Landlord Association Members (Fire Alarms, Fire Extinguishers, Emergency Lighting & PAT Testing)

We have now packaged our services together specifically for ELA Members who are HMO's/block management owners/agents & small businesses so that you can budget your costs accordingly throughout the year.

RCR Services Package deals are a cost-effective way of managing your legal fire safety requirements. The fixed pricing structure allows a clear understanding of what you are paying per year.

All package deals come with free PAT testing up to 10 items (additional are priced @ £2.00 per appliance) as well as free periodic building safety checks, such as inspections of escape staircases and gangways, final exit doors and/or security fastenings, fire doors & general maintenance issues. These checks will be recorded in the logbook located on site.
